| <p>1 Introducingggggg... The Awesome Adjective Fashion Show! Through dark and light, cotton and silk, we've finally come up with these brilliant, magnificent, stupendous dresses!</p> <p>6 What do adjectives have to do with a fashion show?</p> <p>7 Well, if we didn't have adjectives, we wouldn't be able to describe anything! (SOUND EFFECT: wa wa waaaa)</p> <p>ALL Adjectives describe nouns and verbs! (SOUND EFFECT: uh huh. GESTURE: head up and down)</p> <p>8 In the sentence "she quickly walked down the runway..."</p> <p>ALL Quickly describes how she walked – the verb. (GESTURE: 5 quick stomps)</p> <p>9 And in the sentence "her dress is long and flowing..."</p> <p>ALL Long and flowing describe her dress – the noun. (GESTURE: hold out dress. SOUND EFFECT: oohh)</p> <p>10 These dresses would sound so boring without adjectives! So bland, so dull, so lifeless! (SOUND EFFECT: yawn. GESTURE: hand to mouth)</p> <p>ALL Get ready to be fashionized with the Awesome Adjective Fashion Show! (SOUND EFFECT: sing "Everybody Dance Now!" and make music sound)</p> <p>2 Here comes our first model, the wonderful Francesca! She is wearing a blue silk dress with green shimmery jewels. (SOUND EFFECT: ooh la la!)</p> <p>11 Look! There's my lovely sister! (SOUND EFFECT: someone else whistles)</p> <p>12 Wow! That dress looks wonderful on her, and the jewels really bring out her eyes. They're so beautiful!</p> <p>3 Next is the fabulous Amaria wearing a white feathered dress. Did you notice the silk under the feathers?</p> | <p>11 Mom, I see the delicate swan feathers detaching from the dress! (GESTURE: poking Mom)</p> <p>13 (SOUND EFFECT: gasp. GESTURE: hand to chest) Oh no! My delicate swan feathers are detaching from my dress!</p> <p>4 (SOUND EFFECT: spitting) Who cares about the dress, the feathers are swooping, flying, dunking, and swirling into my mouth! Wait, what did you say? Oh, now I see the soft blue silk.</p> <p>5 Up next is beautiful Ariana, wearing an orange and green dress with a white beaded ribbon around her waist, and I love the texture!</p> <p>1 A lecture? Who lectures a dress? (GESTURE: right hand swings out)</p> <p>ALL No! Not a lectured dress! A textured dress! (SOUND EFFECT: feel left sleeve)</p> <p>2 Here comes Gigiline wearing her pumpkin orange dress.</p> <p>14 Ooh, that's unbelievably fancy!</p> <p>15 It's gorgeous! (SOUND EFFECT: oohh!)</p> <p>16 She's so elegant! (SOUND EFFECT: aaahh!)</p> <p>17 Wow, that's gotta hurt – she tripped on her dress! (SOUND EFFECT: gasp. GESTURE: hand on chest)</p> <p>18 Oh, my perfect knee! (GESTURE: examines knee)</p> <p>19 Oh no! Look at that cut, it's humongous! (SOUND EFFECT: uh. GESTURE: shiver)</p> <p>20 It's not only humongous, it's also bloody, deep, and swollen. The blood is dark red and oozing slowly, steadily from her knee. (Girls SOUND EFFECT: fainting noise. GESTURE: hand to head)</p> <p>21 That cut sure is bloody.</p> <p>3 That cut is bloodier than Lily's when she fell off the runway last year!</p> |
