

Landforms Readers Theatre Script

By Mrs. Lauren Johnson's Class * Fruitville School * Sarasota, Florida

1	Ladies and Gentlemen!	All	A peninsula is land that has
2	Gentlemen and Ladies!		water on three sides [gesture].
All	[sound effect] Ta Da!	14	An island?
3	Presenting	All	An island is land that is
All	Landforms! [gesture]		surrounded by water. [gesture]
4	Landforms? What's a	15	A lake is a body of water.
	landform?		[gesture]
All	The land on the earth is shaped	16	Lakes come in many sizes
	in many different ways.	17	Some lakes are small, like
	[gesture]		mountain lakes.
5	Each different shape is a	18	Other lakes, like Lake Superior,
All	Landform!		are large.
5	Oh.	All	Large! [gesture]
6	What do you mean by a shape?	1	There are five [gesture] Great
7	Well, for example...		Lakes in the United States
8	introducing...	2	And don't forget the Great
All	Landforms of the Earth!		Plains!
	[gesture] [sound effect]	3	What's a plain?
9	1, 2, ah 1, 2, 3!	All	A plains is land that is mostly
All	[a rhythmic chant]		flat.
	River, mountain, valley,	4	Gentlemen and Ladies!
	Plain, hill, island,	5	Ladies and Gentlemen!
	Peninsula!! [gesture]	6	Thank you for listening to this
10	What is a river?		information about...
11	A river is a long, moving body	All	Landforms of the Earth!
	of fresh water.		[gesture] [sound effect]
All	A long, moving body of fresh	9	1, 2, ah 1, 2, 3!
	water. [gesture]	All	[a rhythmic chant]
12. So... [gesture] What's a valley?			River, mountain, valley,
All	A valley is low [gesture] land		Plain, hill, island ,
	between		Peninsula!! [gesture]
Even #s	mountains. [gesture]	10	Landforms! [gesture]
Odd #s	or hills [gesture]	All	Landforms!! [gesture]
13	How about a peninsula?
