One all-day session (5-6 hours)

\$1000.00 U.S.D.

(Please note: The all-day sessions can be designed to include some break-out times for participants to work on reading and writing scripts. Scripts will be sent via e-mail to Rosalind who will share and react to them on screen in the latter part of the all-day workshop.)

Two two-to-three-hour sessions

\$1000.00 U.S.D.

(Please note: The recommendation is to advertise the sessions as being three-hours long, but the actual online instruction time would be only about two hours. That allows for a late start, a break, and onsite talk about next steps, etc. These sessions may occur days, weeks, or months apart.)
